

County Economic Status in Appalachia, Fiscal Year 2005

(Effective October 1, 2004 through September 30, 2005)

Each fiscal year the Appalachian Regional Commission classifies the Region's counties into one of four economic levels based on a comparison of county and national rates for three economic indicators: three-year average unemployment rates, per-capita market income rates, and poverty rates.

County Economic Levels

-  Distressed (82)
-  Transitional (300)
-  Competitive (20)
-  Attainment (8)

Map Created: October 2004.
