Workforce Initiatives

Why have our workforce programs been successful?

- High Placement Rate
 - Candidates are placed in a job at the successful completion of their training where a position exists.
- Career Path Opportunities & Life Long Learning
 - People aren't joining us for a single job, but rather the opportunity to grow, learn and advance
- Local Focus
 - People are working and serving in the communities in which they live; they are making their life and the lives of others better
- Dedicated team
 - Team of internal professional colleagues dedicated to building the critical long term partnerships needed for successful workforce programs
- Track Record
 - A history of strong results
